MEDICAL BUSINESS

WHO REALLY KNOWS ABOUT WIRELESS CELL PHONE and PAGER COSTS?

We found a company who does cost comparisons for telecom services and products. Call Jay Berg, the president of Blaze Consulting 303-433-1051. These "wireless watchdogs" **guarantee to lower your cell bills or their service is free**. They significantly cut our expenses. The State of Colorado and City of Castle Rock are two of their clients who now save thousands of dollars monthly.

CHILD IDENTIFICATION KIT While doing background checks we saw a \$3.95 Child ID Kit. Looking like a drivers license, the card includes a photo, personal information, and DNA. This do-it-yourself kit has easy instructions and self-adhesive laminate. Order through www.sexoffender.com/childid.htm.
